

## Variable Tuition for 2020 - 2021 School Year

Ignite Academy is one of the only schools in the Tampa Bay area to offer a variable tuition program. Ignite Academy launched their variable tuition program to help ensure all families can afford to send their child to Ignite Academy where they will not only receive a life prep, Christian education, but will also be immersed in a learning environment of real health. As one of our parents said,

*"My child thrives there. He is a different person. A really awesome person!"*

We want all families in the Tampa Bay area to experience this kind of education for their child. So based on a variety of factors such as income, number of learners enrolling, payment options, special education services and more, tuition at Ignite Academy can range from \$500 - \$8,000 per school year. That means you can pay as little as \$10/week and still send your child to Ignite Academy.
